I. Old Business:

- A. The committee voted 3-0 to accept the March 2021 Meeting Minutes
- B. Chief advised the committee the prepare and advertise for the parking restrictions on Board Street and Main Street, as well as the removal of the parking restrictions on Hemlock, was completed and the ordinance will be adopted by council at the April Business Meeting
- C. The chief advised the committee the new officers started working on March 22, 2021 and thanked the committee and council for all their efforts in getting the process completed.

II. New Business:

- A. The special Event Application for Lansdale Day, On June 5, 2021, was approved (3-0) with conditions as follows: The approval of the road closure permit by Penn-Dot and condition the event will be cancelled if the daily COVID-19 positivity climbs above 10% prior to the event.
- B. The chief related to the committee of concerns for speeding on Edgemont Ave. an area used by kids walking to school. A speed study will be completed, and signage installed in the area alerting motorist to slow down.
- C. The chief related having a conversation with Rich Digregorio about the Knapp Road School zone and speeding. He related there are no warning lights on the backside of the signs to let people know they are still in the school zone. The chief related the project is not complete and he will forward Rick's concerns to Montgomery Township as half the roadway is in their jurisdiction.

III. Public Comment

Rick Solomon of Well Crafter Brewing related his business needs more short-term parking near his business since the removal of the curbside pickup spots which were. Removed on April 5, 2021.

A lengthy discussion ensued, and the committee recommended relocating 3 of the 15-min spots on Madison Street for the area near the curve to the area directly in front of 325 Madison Street and spaced evenly to all each business to have a short-term parking space near their store.
