**EXHIBIT "A"**

**SCHEDULE OF RATES, FEES, CHARGES AND PENALTIES  
PURSUANT TO CHAPTER 100 OF THE LANSDALE BOROUGH CODE**

**SECTION 1. RENTALS AND CHARGES.**

(A) Annual unit charge.

i. The annual unit charge referenced in Code §100-3A shall be as follows:

(1) One Hundred Ninety-One Dollars and Sixteen Cents (\$191.16) for each Sewer Rental Unit.

(B) Usage charge.

i. The usage charge referenced in Code §100-3B shall be as follows:

(1) Nine tenths (0.9) of the amount of water used at the property multiplied by Five Dollars and Twenty-Three Cents (\$5.23) per one hundred (100) cubic feet of water used. Therefore, the effective rate is Four Dollars and Seventy-One Cents (\$4.71) per 100 cubic feet of water used.

(2) The amount of water used shall be calculated based upon the applicable method(s) of measuring volume set forth in Code §100-4.

(C) Sewer rental charges and billing frequency.

i. The sewer rental charges shall be equal to the annual unit charge plus the usage charge as provided hereinabove in this Section 1 and shall be computed (and may be billed) on either on a monthly or quarterly basis.

ii. Quarterly Users.

(1) Quarterly sewer rentals for Residential Users and quarterly meter reading nonresidential North Penn Water Authority customers:

a. A unit charge of Forty-Seven Dollars and Seventy-Nine Cents (\$47.79) per quarter per Sewer Rental Unit; plus,

b. Nine tenths (0.9) of the amount of water used at the property multiplied by Five Dollars and Twenty-Three Cents (\$5.23) per one hundred (100) cubic feet of water used. Therefore, the effective rate is Four Dollars and Seventy-One Cents (\$4.71) per 100 cubic feet of water used.

(2) In the event that two (2) or more structures are served by a single water meter, the customer shall be assessed a unit charge for each Sewer Rental Unit.

(3) The preferred method of measuring water used by residential and quarterly metered nonresidential North Penn Water Authority Customers is set forth in Code §100-4A.

iii. Monthly Users.

(1) Sewer rentals for Nonresidential Users (except quarterly metering reading nonresidential North Penn Water Authority customers) and monthly meter reading North Penn Water Authority customers:

a. A unit charge of Fifteen Dollars and Ninety-Three Cents (\$15.93) per month per Sewer Rental Unit; plus

(2) Nine tenths (0.9) of the amount of water used at the property multiplied by Five Dollars and Twenty-Three Cents (\$5.23) per one hundred (100) cubic feet of water used. Therefore, the effective rate is Four Dollars and Seventy-One Cents (\$4.71) per 100 cubic feet of water used

(3) In the event that two (2) or more structures are served by a single water meter, the customer shall be assessed a unit charge for each Sewer Rental Unit.

## SECTION 2. CAPACITY PERMIT FEES.

### (A) Tapping Fee.

- i. The tapping fee referenced in Code §100-7 shall be as follows:
- (1) Residential Tapping Fee:
    - a. Three Thousand Two Hundred Dollars (\$3,200) per Sewer Rental Unit.
  - (2) Non-Residential Tapping Fee:
    - a. Three Thousand Five Hundred Dollars (\$3,500) per Sewer Rental Unit.

### (B) Additional Sewer Rental Unit Usage.

- i. Any User whose use exceeds the volume of usage for which the property is registered, as measured during any four (4) successive sequential prior quarters at any time after initial connection, shall pay a tapping fee at the rate provided in Section 2(A)(I) for the excess volume calculated as follows:
- (1) Excess volume divided by 33.4 cubic feet (250 gallons) of water per day rounded up to the next whole Sewer Rental Unit (an annual usage of 12,190 cubic feet per year) multiplied by the applicable tapping fee provided in Section 2(A).
    - a. Excess volume shall be calculated by subtracting the volume for which the property is registered from the actual or estimated volume usage at the property.

## SECTION 3. INDUSTRIAL USER PERMIT FEES; PRETREATMENT CHARGES AND FEES.

### (A) Class I Industrial User permit.

- i. All Industrial Users (except Significant Industrial Users as defined herein below) shall be required to obtain a Class I Industrial User permit in addition to a capacity permit.
- ii. The Class I Industrial User permit fee referenced in Code §100-8A(1) shall be as follows:
- (1) Two Hundred Dollars (\$200).

### (B) Significant Industrial User permit.

- i. All Significant Industrial Users shall be required to obtain a Significant Industrial User permit.
- ii. The Significant Industrial User fee referenced in Code §100-8A(2) shall be as follows:
- (1) Two Hundred Fifty Dollars (\$250), plus applicable time and materials and/or engineering expenses.
- iii. The term Significant Industrial User as used herein and in Code §100-8A(2) shall mean:
