LIFE IN MOTION

2025 RESIDENT GUIDE

one vine street, lansdale, pa, 19446 • www.lansdale.org • 215-368-1691

Hey, neighbor!

We are in motion from the moment we're born. Our hands, our feet, our minds, our point of view, our hearts, our passions, our careers, our families. Always growing, learning, seeking and connecting. Wouldn't it be nice to live in a place where it's easy to find what moves you?

The Borough of Lansdale is just such a place. A community connected by caring...designed specifically to help set your dreams in motion. Here all of life is at your feet.

So whatever gets you going, whether it's a better life for your family or for a better livelihood, in Lansdale you'll find everything you want...life in motion.

IT ALL STARTED WITH THE RAILROAD

photos courtesy of Lansdale Historical Society

IMPACT

Like any small village in the early days, the railroad brought much needed work into the area, therefore creating the need for housing, businesses and even hotels.

In 1860, with the influx of people moving into the area, the federal government felt the need to make this once small village a post office village.

INCORPORATION

As the village continued to grow at a rapid pace, its founding fathers decided that this village should be incorporated. After petitioning the courts, this application was granted August 24, 1872.

Getting its name from railroad engineer Philip Lansdale Fox, this small village comprised of 269 acres became Lansdale Borough.

IN MOTION

Today Lansdale Borough is home to approximately 18,773 residents, living in 2.96 square miles or 1,894.4 acres of land.

The once muddy roadways are now paved and there are a variety of houses, shops, businesses and industries to meet the needs of the residents.

You may not spend much time thinking about it, but how does government work in Lansdale Borough? Lansdale operates under a Council/Manager government model; this means that Council makes decisions on Borough policy and the Borough Manager is responsible for running the Borough according to established policy.

Borough Council

There are nine elected Council members representing the three wards within the Borough. Each Councilperson is elected to serve a four year term. Council members are charged with the creation of new legislation, adoption of ordinances, resolutions and motions along with the approval of the annual budget. The primary goal of each member is to serve the needs of the constituents from his/her ward and prepare Lansdale Borough for future growth and success.

[See previous pages for Council Members & Wards](#) · 215.368.1691

Mayor

The Mayor is elected by Borough residents of all three wards. The Mayor oversees the Police Department as stipulated by Pennsylvania Law. The Mayor also has the ability to cast a tie breaking vote if Council reaches a tie on adoption of any legislation; this is the only time that the Mayor casts a vote.

Garry Herbert · mayor@lansdale.org · 215.368.1691

Borough Manager

Borough Council appoints the Borough Manager and it is the responsibility of the Manager to direct the day-to-day operations of the Borough. The Manager works closely with all departments to ensure the health and welfare of all Borough residents. Lansdale consists of the following departments: Administration, Electric, Wastewater Treatment Plant/Sewer, Police, Public Works, Parks and Recreation, Community Development and Library.

ELECTRIC

Lansdale Electric Company is responsible for providing and monitoring service to Borough electric customers, fixing power outages, clearing electric lines along with maintenance of traffic signals throughout the Borough. Lansdale Electric also installs the annual Christmas tree in Railroad Plaza.

The Electric Service building is located at the Utilities Complex at Ninth Street and Moyers Road; electric billing questions should be directed to Customer Service at 215.368.1691.

PUBLIC WORKS

Lansdale Public Works vehicles can be seen around town as they are responsible for the maintenance of municipal roads and parking lots. Public Works performs major patching, microsurfacing and crack sealing to maintain roadways within the Borough.

Street sign maintenance, installation and upkeep of storm drainage systems along with winter weather street clearance are additional tasks handled by the Public Works Department.

WASTEWATER TREATMENT PLANT

The Lansdale Wastewater Treatment Plant is an advanced wastewater treatment system that treats approximately 3 million gallons of wastewater daily. The wastewater is transported to the wastewater treatment facility by transitioning through an underground network of pipes that are located throughout Lansdale Borough. These pipes are known as a sanitary sewer collection system. Lansdale Borough's sanitary sewer collection system consists of over fifty miles of sanitary sewer pipes and includes five pump stations which keep the wastewater flowing to the treatment facility.

When the wastewater enters the treatment facility it goes through several processes, some of the processes include ammonia and nitrate removal and a denitrification process to make the treated wastewater, which is called effluent, acceptable for discharge. Effluent samples go through a certified laboratory analysis to assure the effluent is acceptable for discharge. The processes described are primarily achieved through a treatment process known as the "Activated Sludge" process. The effluent is discharged to the headwaters of the Neshaminy Creek.

FINANCE/CUSTOMER SERVICE

Lansdale Borough's Finance & Customer Service Departments handle the financial aspects of the Borough including preparation of the budget as well as utility customer service. Customer Service is open at Borough Hall Monday through Friday from 8:00 am—4:30 pm for bill payment, utility sign up and general questions regarding billing. Payments can also be made after hours in the night deposit box.

Additionally, utility bills can be paid online. To set up an account, visit www.lansdale.org and follow the link for "Online Utility Bill Payments". Once enrolled, this service allows access to customer bills as well as the ability to pay them. Lansdale utility customers also have the option of going paperless. Utility bills can be emailed as an electronic attachment through a secure site after an authorization form is completed and submitted containing a valid email address and utility account information.

Questions regarding any of the above information can be directed to either department at 215-368-1691 or in person at One Vine Street, Lansdale, Pa.

COMMUNITY & ECONOMIC DEVELOPMENT/CODE ENFORCEMENT

The Department of Community & Economic Development is the first point of contact for new businesses, developers looking to provide commercial and residential opportunities or established businesses looking to invest and expand within the Borough. This Department works with the Planning Commission, Zoning Hearing Board, Economic Development Committee and Code Committee to ensure all appropriate agencies are working to guide the applicant(s) through the process of establishing themselves in Lansdale Borough. The Department of Community Development also oversees the Department of Code Enforcement.

The Department of Code Enforcement is responsible for the administration and enforcement of Borough ordinances, along with Federal and State building codes. These ordinances may pertain to building, zoning, land development, housing and/or property maintenance. The department also responds to citizen complaints concerning property maintenance (lawn maintenance, snow removal, etc.); construction project inspections; apartment inspections; curb and sidewalk inspections, applications regarding building projects, zoning hearings and land developments. Permits are issued for Use and Occupancy, repairs, replacements, additions and new installations of fences, boilers, roofs, etc.

LANSDALE PUBLIC LIBRARY

Located at 301 Vine Street, the Lansdale Public Library offers many services and programs throughout the year. For a comprehensive list of these programs and services please visit www.lansdalelibrary.org.

The Lansdale Public Library Committee meets the Monday prior to Borough Council Work Session (*typically the first Monday of the month, but occasionally it is the last Monday of the previous month due to where the Work Session falls*) beginning at 6:00 pm in the Lansdale Library. For further information please call the library at 215-855-3228.

POLICE

The Lansdale Police Department strives to protect the life and property of residents, enforce laws fairly and impartially, improve the quality of life for all citizens and resolve problems that affect the community at large. The Lansdale Police Department takes a proactive approach to addressing citizen concerns. The department provides twenty-four hour police services with officers available at all times to handle calls for services and emergencies.

The Chief of Police is included on the Public Safety Committee that meets the first Wednesday of each month where residents are welcome to come and voice concerns for public safety within the Borough.

Anonymous information can be emailed to the Department's Crime Tips Account at any time to crimetips@lansdalepd.org. All citizens are urged to report dangerous situations and suspicious activity promptly. In case of emergency, please call 9-1-1.

Lansdale Police Department's commitment to the community can be seen through the various programs run through and by the department, including but not limited to:

Abandoned Vehicles	Accident Reports
Alarm Activations	Animal Ordinances
Bike Helmet Law	Bike Licenses
Block Party Permits	Child Safety
District Court	Handicapped Parking
Vendor Permits	Drug Abuse Resistance Education (DARE)
Town Watch Program	Ride Along Program
